Summary

Collection Title:

Radio TV Reports Infomercial collection, 1990-1996

Creator:

Radio TV Reports Inc.

Source:

John W. Hartman Center for Sales, Advertising & Marketing History

Abstract:

Broadcast service company that records, transcribes and monitors radio and television programming. Collection spans the years 1990-1996 and consists of over 800 as-broadcast televised infomercials and public service programs recorded on VHS. Topics include direct marketing for health and beauty aids, kitchen appliances, exercise equipment, wealth management and collectible items. Celebrities featured as spokespersons include Cher, Joe Theisman, Richard Simmons and Victoria Jackson. Services represented include health and insurance providers and nonprofit organizations such as the New Jersey Education Association. Acquired as part of the John W. Hartman Center for Sales, Advertising & Marketing History.

Extent:

12 Linear Feet
149 Items

Access Restrictions

Collection is open for research.

Researchers must register and agree to copyright and privacy laws before using this collection.

In addition, original audiovisual materials are closed to patron use. Research Services staff need to produce use copies before contents can be accessed.

All or portions of this collection may be housed off-site in Duke University's Library Service Center. The library may require up to 48 hours to retrieve these materials for research use.

Please contact Research Services staff before visiting the David M. Rubenstein Rare Book & Manuscript Library to use this collection.

Access note. Some materials in this collection are original audiovisual items that need to be reformatted before use. Contact Research Services for access.

Access note. Some materials in this collection are digitized audiovisual materials that require special equipment. Contact Research Services with questions.

Use Restrictions

The copyright interests in this collection have not been transferred to Duke University. For more information, consult the copyright section of the Regulations and Procedures of the David M. Rubenstein Rare Book & Manuscript Library.

Acquisition Information

The Radio TV Reports Infomercial Collection were received by the David M. Rubenstein Rare Book & Manuscript Library as a gift in 2012.

Processing Information

Processed by Richard Collier, Dec. 2012

Encoded by Richard Collier, Dec. 2012

Accession 2012-0137 is described in this finding aid.
